

The deadline for submitting the thesis in the summer term of the academic year 2025/2026 is 3 July 2026, and the defense of the thesis can be held no later than 10 July 2026.

The thesis can be submitted with one non passed exam. The thesis defense can be held no earlier than the first day of the summer exam term, 8 June 2026.

The thesis defense can be held no earlier than eight days after successfully passing the last exam (Article 70 of the Study Regulations).

The committee is obliged to review the thesis within 15 days and provide its opinion and comments. After a positive opinion, the defense procedure is carried out (Article 77 of the Study Regulations).

The committee will implement the practice of reviewing papers submitted by Monday by 12:00 noon until the end of the current week.
