

Enrollment into higher years of study - Academic year 2026/2027

Enrollment into higher study years of the Integrated Undergraduate and Graduate University Study of Dental Medicine will take place from **September 1 to September 18, 2026, between 9:00 AM and 1:00 PM.**

To enroll in a higher year of study, students must earn **55 or more ECTS credits** and settle all obligations with the library.

Students who have not completed two years of classes in the **Latin Language** course must pass this language exam before enrolling in the second year of study and submit the respective certificate.

Students are kindly requested not to enroll via Studomat until all grades for their passed courses have been entered into the system.

Enrollment Process:

1. Complete the enrollment into the higher year via **Studomat**. Enrollment via Studomat can be done from any computer.
2. Send the proof of payment for the paid tuition fee to the e-mail address **dme@sfzg.hr**. Payments should be made to the IBAN of the School of Dental Medicine, University of Zagreb (IBAN HR7423600001101235285, reference number: 6526423 –student's OIB).
3. Retrieval of the **control sheet (kontrolnik)** takes place at the Office for Studies and Continuing Education. Students must bring a photo for the control sheet.
4. **6th-year students** must choose a thesis topic before enrollment and submit the form signed by their mentor.
