

Entries DME

Enrollment requirements

The right to enroll in the university's integrated undergraduate and graduate study in Dental Medicine in English is granted to candidates who have successfully passed the entrance exam, the state matriculation exam and the psychomotor ability test who meet all other enrollment requirements. Candidates must submit completed application form and proof of payment of the 200 EUR application fee to dme@sfzg.hr.

Prerequisites for enrollment

Candidates are required to submit following documentation

- medical certificate issued by a competent family physician or general practitioner confirming the applicants health and psychophysical abilities to study Dental Medicine
- signed declaration confirming psychophysical ability to exercise the profession of Doctor of Dental Medicine
- proof of English language proficiency (level B2 or C1)

Paid place reservation

Candidates who successfully pass written entrance exam in Biology, Physics and Chemistry and submit all required documentation will be offered a study place. To secure the place, a non-refundable reservation fee of 1000 EUR must be paid.

Proof of payment must be sent to: dme@sfzg.hr. If the reservation fee is not paid timely, the candidate's place will be assigned to the next ranking candidate.

Enrollment conditions

The ranking list of registered candidates is compiled based on the following criteria:

a) Written exam in Biology, Chemistry and Physics

- 120 questions in total
- **the threshold is 40% of the written exam**

b) Verification of special abilities

- Psychomotor test conducted by the School of Dental Medicine
- Maximum score 100 points

The threshold for the psychomotor test is 15 points

c) High school grades and the state matriculation exam (level B) are not taken into account when compiling the candidate ranking list

Application deadlines

Applications made through the national graduation system "[Postani student](#)" for Dental Medicine must be submitted until **29 May 2026**.

Additional documentation and applications for verification of special abilities must be submitted electronically by sending all scanned documents to dme@sfzg.hr **from 11 May to 29 May 2026**.

Entrance exams will be held on 25 April 2026 and 30 June 2026 in Zagreb and on 11 May 2026 [online](#)

Following additional documentation must be submitted:

- a. [medical certificate issued by the competent family doctor or general medicine doctor confirming health and psychophysical abilities for the study of Dental Medicine](#) and the completed [questionnaire](#).
- b. [Statement](#) of psychophysical abilities
- c. [Application](#) for psychomotor ability test
- d. Proof of payment for the psychomotor ability test in the amount of 50 EUR paid to IBAN HR7423600001101235285 University of Zagreb School of Dental Medicine, Reference Number 6002-OIB (or Passport Number) DME with the payment description "for psychomotor ability test".

Only candidates who have applied in time in the specified manner and sent all required documentation in accordance with the instructions above, have the right to take the psychomotor ability test.

After processing application, candidates will receive a password to the e-mail address provided in the "Postani student" system. It is obligatory to remember your password, because without it you will not be allowed to take the psychomotor ability test.

Detailed information about the psychomotor skills test (c) is published on the website of the School of Dental Medicine: www.sfzg.unizg.hr.

The psychomotor ability test (c) will be conducted on 29 June 2026 at the Faculty of Humanities and Social Sciences (Ivana Lučića 3., 10000 Zagreb) according to the schedule that will be published in the "Postani student" system under *Notifications*.

Results of the psychomotor skills test will be available in the "Postani student" system from **1 July 2026**.

Appeals

Appeals for additional knowledge testing - Psychomotor ability test and requests for access to documentation must be submitted in writing on 2 July 2026, from 10 am until noon at the Secretariat of the School of Dental Medicine at Petrinjska 34.

Access to documentation will be granted on **3 July 2026** exclusively for candidates who requested it within the stipulated deadline and in the prescribed manner at the Secretariat of the School of Dental Medicine, Petrinjska 34, room 12.

Candidates who have not completed two years of Latin language classes must pass Latin language before enrolling in the second year of study.
